Stuff a Turkey

Door Decorating

NOVEMBER

Stuff a Turkey

Starting November 3rd through November 21st, each homeroom will compete to stuff their turkey with as many pennies as possible. Every penny is worth one point. The homeroom with the most points by the end wins a pizza party on November 26th! But watch out - there's a twist! Silver coins (nickels, dimes, quarters) can be used to subtract points from other homerooms. Want to win? Build your score with pennies and sabotage the competition with silver!

• Please place your turkey containers outside your homeroom during school hours.

• All money collected will be donated to support a local food drive. Let the penny wars begin!

DECEMBER

Door Decorating Contest

Each homeroom will decorate their door for Christmas. There must be at least one Advent/Jesus related item.

Father Lusius will judge the doors.

Winning class will win a pizza party.
